

CHILHAM SQUARE OPEN MEETING

**ST MARYS CHURCH
25TH MARCH
730PM**

This meeting is open to everyone in the parish.

Please attend if you have any concerns or views on making our historic medieval Square a safer and more attractive visitor destination and community asset.

We will be presenting the reasoning behind the next step in our project to achieve these goals - a community engagement exercise planned for later in the year - and what we hope this exercise will achieve.

This is your chance to find out more about what we are doing and why and also express any comments or fears about the community engagement we are planning.

There will be an independent chairperson to keep the meeting focussed and ensure that everyone has a chance to put their comments.
